Cheshire Cats Oct 2013

Cheshire cats

Published in July 2011, this play follows the girl's emotional journey as they aim to speedwalk their way to fund raising success in the London Moonwalk while also enjoying a girly weekend away in the capital. Trainers and wildly decorated bras are in, high heels and designer labels out - but a last minute substitute to the team doesn't meet the physical criteria!

"... this is a genuinely funny and even touching ensemble piece".
Claire Black, The Scotsman, Edinburgh Fringe
